

Travel Consultant

Assumptions:

1. A team is assigned to exactly one region at any given time
2. A consultant can belong to multiple teams at the same time (for resource shortfalls or sickness coverage)
3. Each call must be associated with exactly one consultant
4. A consultant can log any number of calls over time
5. A region can have one, or many teams assigned to

DVD Rental Company

Assumptions:

1. Each branch has exactly one manager, and each manager manages exactly one branch
2. The manager is completely separate from staff, allowing for their own table
3. A staff member can only work at one branch at a time
4. A member can register at multiple branches
5. A member cannot rent DVDs from a branch unless they have a corresponding membership record for that branch
6. Each DVD copy belongs to exactly one branch and references exactly one movie
7. Each rental record ties one member to one dvd copy, recording the dates rented and returned
